### **DUI/CDL CHECKPOINT**

On Friday night July 29, 2022 the Police Department will conduct a two-direction checkpoint on a major thoroughfare in Pomona. This checkpoint is OTS grant funded and will start at 9:00 p.m.

## ***PUBLIC WORKS***

### **FULTON ROAD FULL CLOSURE JULY 22 – JULY 26, 2022**

The Foothill Gold Line Construction Authority's Contractor (Kewit-Parsons, a joint venture) will conduct a full closure of Fulton Road from July 22 through July 26, 2022 for needed work at the rail crossing between Arrow Highway and Bonita Avenue. Work

associated with this closure will occur around the clock beginning at 7:00 a.m. Friday through 7:00 a.m. Monday.

The Metrolink Station parking lot will only be open and accessible via the Santa Fe Street driveway (Fulton Road driveway to the Metrolink parking lot will be closed). The detour for this closure will be on Garey Avenue via Bonita Avenue and Arrow Highway.

The schedule is weather permitting, and all dates and times are subject to change.

Detours will be posted. Motorists should expect delays and are strongly advised to avoid the area and use alternate routes.

### **CITY OF POMONA/LA COUNTY- NORTH SOUTH TREE GRANT COMPLETED!**

The Public Works Parks and Facilities Division, in conjunction with the California Conservation Corps and San Gabriel Valley Conservation Corps, have completed the requirements of a tree grant to plant 510 trees throughout the City of Pomona.

This Grant was initiated in 2016 however, many delays, including various State-wide fires and the COVID-19 shutdowns, halted progress on the tree plantings. Even as the manpower was ready to begin planting in early spring 2022, fires requiring the services of the Conservation groups threatened to delay the progress once again. With the trees ordered and staged at the Pomona Yard without automatic watering resources, Staff decided to plant the trees, rather than wait until Fall.

CCC North Plantings

SGVCC South Plantings

With a crew from each Conservation group, and the City's Park Supervisor and Lead Maintenance staff, they worked for approximately six weeks to plant the 255 trees north of Mission Blvd. and 255 trees south of Mission Blvd. in various parkways and parks throughout the City. With planning and determination, the

Rigo Castillo and Michael Etheridge Pomona Parks Staff Pictured with the last tree planted of the 510 Tree Grant

Tree Planting Grant Project is now completed!

The next phase of the grant will be to continue watering the trees for their establishment. Residents of the new parkway trees have expressed appreciation and have committed to watering the new parkway trees that add value and bring beauty to the neighborhoods. Both Conservation groups and City staff will work to ensure the trees thrive.

### **FULL STREET CLOSURE – GAREY AVENUE**

As part of the 9.1-mile Foothill Gold Line Project, Kiewit-Parsons, a joint venture (KPJV), crews will be working at the Garey Avenue railroad crossing to replace the existing Metrolink track. After the KPJV crew replaces the existing Metrolink track, they will work on repaving the work zone. This will result in a full closure of Garey Avenue at the railroad crossing beginning Friday, July 29 at 7:00 a.m. to Tuesday, August 2, 2022, at 7:00 a.m. KPJV workers work around the clock, 24 hours a day, during this time.

### **Detour Routes (Green Arrows seen on the map below):**

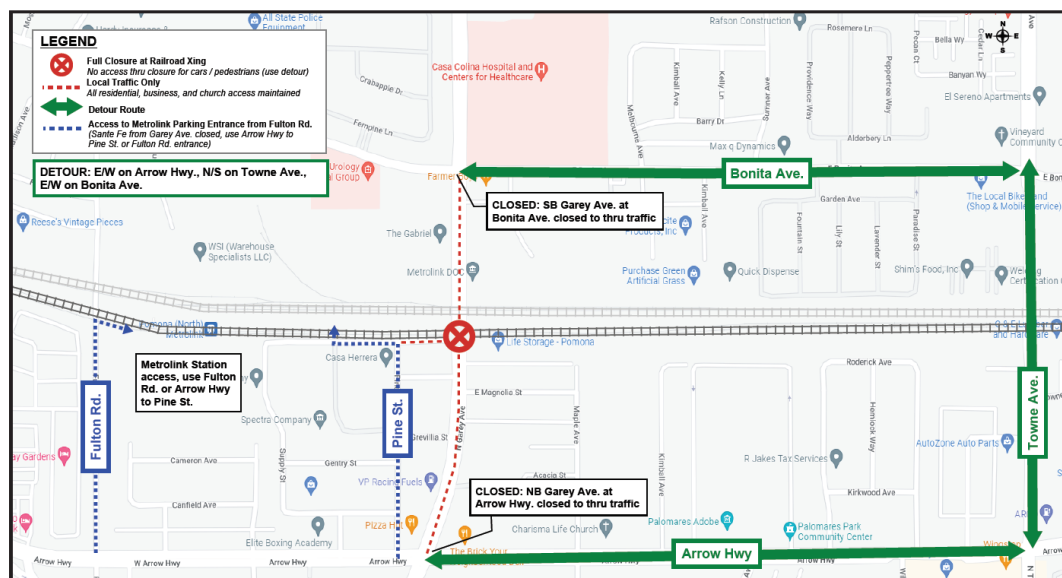

- Towne Avenue (Northbound and southbound) will be the main detour route
- Arrow Highway (Eastbound and Westbound) will remain open to all traffic
- Bonita Avenue (Eastbound and Westbound) will remain open

Access to homes and businesses on Garey Avenue within the closure area north and south of the railroad crossing will be maintained at all times, as well as access to the Metrolink station from Fulton Road and Arrow Highway/Pine Street (blue spaced lines on the map below).

Residents and businesses located near the Garey Avenue rail crossing, between Arrow Highway and Bonita Avenue, are advised to anticipate noise.

Later in the year, KPJV crews will close Garey Avenue again to complete the crossing reconstruction for the new light rail system. More information will be provided in the future.

### **North Garey Avenue closure, detours, local traffic, and access to Metrolink parking entrance:**

## **REQUESTING BIDS FOR CONSTRUCTION OF HAMILTON PARK RENOVATION**

On July 20, 2022, the bid for a construction contractor to renovate Hamilton Park was posted on Planet Bids. In 2020, the City was awarded \$1.5 million from the California Department of Parks and Recreation Statewide Park Program, funded through Proposition 68, to renovate Hamilton Park. Since receiving this funding, with increasing inflation and significant construction costs, the City applied for and received an additional \$1.2 million dollars in County Measure A, County Measure W, and Proposition 68 funding.

The City engaged Architertra Design Group to design the park to fulfill the vision of the grants, which includes adding new playgrounds for ages 2-5 and 5-12, restrooms, a water refill station, renovated pathways, renovated and enhanced lighting to increase safety, a gazebo, horseshoe pits, a renovated basketball court to include an art feature to be determined by the community, renovated field, water-wise landscaping, and the planting of approximately 25 additional trees throughout the park. Bids are due on August 22, 2022, and are to be submitted through Planet Bids.

## **VANDALISM OF BIKEWAY MARKERS**

The City of Pomona (City) works hard to find funding and deliver quality projects while maintaining the city's infrastructure, including its buildings, parks, and pedestrian areas for the safety and well-being of our residents. Recently, City staff was notified about missing biker-markers on Valley Boulevard, adjacent to the new bike lane. Repair and replacement for equipment that are vandalized are costly and delay the Staff's ability to fulfill their regular duties and commitments within the city.

Please help reduce vandalism in our City by reporting issues to the Pomona Police Department by calling Police Dispatch (909) 622-1241. Remember, if you see something, say something.

Attached below are some before and after pictures of the bikeway markers on Valley Boulevard.
