A 24-hour payment box is available, located in the customer parking lot on the east side of City Hall off Garey Ave., just south of Mission Blvd. Payments must be deposited before 8:00 a.m., Monday through Thursday in order to be credited on the same day.

DUE DATES:

Advance Payment Billing: The Advance Payment is due and payable within twenty-one (21) days from the bill date. Should payment not be received by the bill due date, a final notice will be delivered. A past due notice will be sent and a late fee up to 5% applied when payment is not received by the bill due date. Should payment not be received by the due date shown on the past due notice, a final notice will be delivered and a notice charge applied. For payments not received by the final notice due date, water service will be scheduled for disconnection on the next business day and associated charges applied to the account. PRIVATE FIRE PROTECTION SERVICE: Wherever a service is installed for private fire protection, a property owner, authorized agent, or tenant shall submit an application for service. Certain occupancies require private fire protection, and water service is a requirement to maintain the fire protection system in an operable condition in accordance with 2010 California Fire Code.

A private fire protection service shall be used only for the purpose of extinguishing accidental fires. Unauthorized use or non-payment of a private fire protection service may result in termination of service until all legitimate charges are paid per Pomona City Code section 62-299.
