## ***INFORMATION TECHNOLOGY***

### **WORKING NEW NETWORKS**

For the past week, the IT Team has shifted its focus on preparing network equipment for upcoming City facilities such as the Family Resource Center and the new Water Resources Building. Properly configuring networks is crucial for the City's IT infrastructure as it ensures reliable connectivity, optimizes performance, and strengthens cybersecurity. More updates to follow as IT plans to roll out these deployments in the upcoming weeks!

### **BROADBAND STUDY**

The San Gabriel Valley Council of Governments (SGVCOG) is conducting an internet availability study to understand where affordable and reliable internet may be lacking in the region. We encourage all Pomona residents to contribute to the study by filling out the survey at <https://www.sgvkog.org/broadband>. The City of Pomona IT is continuing to collaborate with SGVCOG to assess internet needs in the region as mutual support is expected as recipients of CPUC's Local Agency Technical Assistant (LATA) grant.

The Santa Cop event is one where gifts are provided to children aged from infant to 15 years old whom come from families in need. Those in need are identified through referrals from teachers, police staff, and community members. Gifts for children are all acquired throughout the year with a series of fundraisers and donations. Children enjoyed choosing their own desired toy, a picture with Santa Claus, and tables with arts and crafts. This year, the Police Department was able to successfully provide gifts to over 600 children in our community.
