YARD SALE WEEKEND: MAY 3-5

It's true that one person's trash is another person's treasure! And a yard sale is the ideal way to recycle your formerly favorite items.

This weekend is a yard sale weekend! Yard sales are allowed in the City of Pomona on the first consecutive Friday, Saturday, and Sunday of February, May, August, and November.

Signs may not be posted on public property (telephone poles, streetlights, traffic signs, or City trees). Visit our [website](#) for more information.

In accordance with the City Code, and in light of the weather forecast, this weekend will be monitored for significant rain events. Should there be a significant amount of rain that impacts the ability to conduct yard sales, they may be allowed the next weekend.

PUBLIC SERVICE RECOGNITION WEEK: MAY 5-11, 2024

This special week has been set aside every May since 1985 to honor the staff who serve our nation at all levels, in all our communities. Public service employees work tirelessly year-round, frequently long hours or in potentially dangerous situation, to ensure the community they serve get what they need to live, work, play, and thrive. We encourage you to thank a City of Pomona public servant this week. A simple thank you goes a long way.

Simply stated, we celebrate the work of public servants in our community because they matter and their work matters.

IT had another successful deployment of three new community computers at Willie White Park Community Center. This is the City's eighth community center deployment in the past several weeks which include John F. Kennedy, Philadelphia, Ralph Welch, Westmont, Garfield, Kiwanis, and Jaycee Park Community Centers. The refresh includes larger monitor screens with built-in web cameras to support virtual conferencing and computers equipped with Microsoft Office suite for community use. Check back for additional updates as we work on computer replacement at the remaining community centers.

CYBERSECURITY UPDATES

Continuing with IT's mission to secure the City's digital infrastructure, hypervisor applications and server BIOS (Basic Input/Output System) were upgraded on fourteen virtualization hosts. Additionally, firmware updates were applied on the City's e-mail security gateway and backup appliance to enhance security and improve performance. General upkeep of infrastructure equipment is crucial in strengthening the City's cybersecurity posture and ensuring systems are running optimally. Check back for more cybersecurity updates!

NEIGHBORHOOD SERVICES

POMONA FAMILY SANCTUARY INTERIM HOUSING OPENS!

The City's Neighborhood Services Department is proud to announce the opening of our new Pomona Family Sanctuary Interim Housing program (Sanctuary) in District 4. The Sanctuary is a five-unit, non-congregate family shelter to that will connect homeless families with children attending school in Pomona to permanent housing. Volunteers of America is onsite to provide case management services as the site operator.

Our mission is deeply rooted in the belief that every individual and family deserves comprehensive support to thrive. We understand that the needs of our underserved communities are diverse and multilayered, extending far beyond our immediate reach. To fulfill our mission, we not only recognize but also celebrate the fact that collaboration is the

cornerstone of our success. We are committed to forging strong partnerships with community organizations and leveraging the collective expertise of our community-based organizations, including case management and referrals to health services, mental health, financial literacy, family counseling, housing navigation, and much more.

Together, we strive to provide our families with holistic, whole-person care that not only addresses their unique challenges but also empowers them to build brighter futures. Our dedication to unity, compassion, and unwavering support defines the heart of our Sanctuary. Through collaborative efforts and a steadfast commitment to whole-person care, the Pomona Family Sanctuary aims to be a beacon of hope, resilience, and empowerment for those we serve.

Five families, who are excited and committed to transforming their lives as they work toward their goal of permanent housing, have moved in for the 120-day interim housing. The lessons learned and the skills developed at the Sanctuary will be invaluable as they move into permanent housing.

POLICE

SIRENS OF SILENCE EVENT

On April 13th, the Pomona Police Department partnered with the Los Angeles County Fire Department for their *Sirens of Silence* event held at the San Gabriel Regional Center in Pomona. This program was created to bring awareness and foster inclusivity to the growing population with special needs, especially individuals with Autism Spectrum Disorder (ASD). For some children with ASD, seeing a fully-suited first responder can provide a sense of uneasiness. Lights and sirens can also cause sensory overload and be overwhelming. To help familiarize and expose individuals with ASD to first responders, the Los Angeles County Fire Department hosts this *Sirens of Silence* event so children with ASD and their parents/caregivers can meet firefighters, police officers, and EMTs and see/touch the equipment and apparatuses in a quiet, less stimulating setting.
