COMMUNITY SERVICES

COMPASSION 101 PRESENTS LIVING STORIES: POMONA EDITION

On June 7, 2024, the culminating event for Compassion 101: (Re) Connecting to Our Humanity was held at Pomona Public Library with over 30 youth participants. Teens experienced a one-of-a-kind event where they borrowed a human “book” for a 15-20 minute conversation and listened to others share their journey in overcoming adversity. Teens heard stories from a former gang member, a former addict, an attorney, a

former United States Marine, a person with a disability, an adoptee, a first generation student, and a Latina entrepreneur. One teen said she “loved this event. It was interesting and motivating.” The event was designed to empower youth to respond with love, kindness, and courage to cultivate a more compassionate community. Tri-City Mental Health Services’ Community Wellbeing Grant Program funded the project.

FOOTHILL GOLD LINE CONSTRUCTION ALERT – NOISY GRINDING OPERATIONS IN RAIL CORRIDOR FROM GLENDORA TO POMONA

As part of the 9.1-mile Foothill Gold Line light rail project, Metrolink crews have been working project-wide within the railroad corridor to perform rail grinding operations. Rail grinding requires a large, specialized machine to drive along the new light rail tracks in both directions and grind the surface of the rails to their final shape. No street closures will be needed for this work, but this work is noisy and can cause vibrations. Work began on Monday, May 20, and was scheduled to intermittently occur through June 5. This work has now been extended through the end of June due to crews needing to work around other ongoing activities.

During this work, Metrolink anticipates the following impacts:

- Noise from the rail grinder is expected. Noise and vibration will be monitored to ensure they stay below the required levels.
- Other closures may be in place for additional ongoing operations. Please safely follow all signage and any/all detour routes.

Please obey all posted construction signs and do not enter the construction work zone.

The Kiewit-Parsons JV team has a construction hotline and email address for construction-related questions:

Hotline: (626) 513-5788
