DEVELOPMENT SERVICES - BUILDING & SAFETY

	Description	Current Fee/Charge	Unit	Notes
1	Building Code Permit Fee Schedule			
2	Total Valuation			Total valuation is based on the most recent per-square-foot construction cost in the Building Valuation Data (BVD) table published by the International Code Council. Pursuant to the 2022 California Building Code, this data will be used to aid the Building Official in determining whether or not a project valuation is underestimated. For tenant Improvements, the CBO estimate the valuation based on the amount of work required to refurbish the existing building or structure. Minor to moderate renovations, such as interior tenant improvements, are to be valued in 40% range; major alterations which impact building structural and fire/life safety systems are to be valued up to 60% of the value of new construction.
